

Directors Of The Glades Sugar House

Following its third annual meeting, the Board of Directors of the Sugar Cane Grower Cooperative of Florida met to finalize his year plans, completion of the sugar house and grinding for the year.

They are President George Wedgworth, center, with John Tiedke behind him. Lewis Fritts and Billy Rogers standing (left), Bob Apelgren and Fritz Stein (right); seated are (right) Walter J. Kauts and Joe Tom Boynton (left) Roselle Wilson and Roy Vandegrie.

Our Hospital—

More Service To More Patients

A 25 to 100 percent added and improved service to more patients since '60 with a flooded peak population and with a 19.4 percent reduction in per patient-day cost, is indicated in a comparison of '62 figures with those of '60, in the Southern District's hospital at Belle Glade.

If You're Late

Don't Be Too Late!
At Lake Worth

Millon Carpenter tells us that the north stands west of the 40-yard line and the west end stands are normally used by visitors at Lake Worth.

Also, on the south stands the space east and west of the center section (40 to 49 yards) is for the general public.

Advice is to be EARLY — if you're late, don't be too late, unless you want to stand.

Lake Worth Principal Charles Stanfield says there should be seats for everyone and that all seats, with the exception of seasonal reserved seats will be filled on a first-come first-served basis. "We extend a warm welcome to Belle Glade folks and want them to know that they are not restricted to any section. There are about 7200 seats and only 100 reserved, but come early, he said, as a large crowd is expected.

Reserved Number

For 1963 Car Tag Available Here

All those who reserved 1962 tag numbers for their automobiles must come into the tag office during October and receive their 1963 tag numbers if they wish to retain the same number. Mrs. T. Young, of the tax collector's office reminded reserve tag owners to-day.

The full price of the tag plus a dollar reserve fee must be paid at the time of application, she added.

Those desiring tag numbers not previously reserved will have an opportunity to do so starting November 1st.

Many find it convenient to remember their tag numbers by reserving tags bearing their telephone numbers.

It Pays To Read Herald Ads!

Mrs. Rose Armstrong Wins First \$5

Mrs. Rose L. Armstrong of 548 S. E. Second St., Belle Glade answered correctly the question of the HERALD's FRIED AMOS concerning the Ad of Cabin Cleaners last Friday and received her \$5 from Owner-Operator Paul Davidson the same day.

This is the first of weekly prizes to be given to the person answering correctly a question concerning one of the ads on page 16 of THE HERALD this week.

Names are chosen at random from the telephone book and a question concerning one of the ads is asked.

The purpose is to stimulate careful reading of the offers of Belle Glade Merchants in the ads, and to convince you that IT PAYS TO DO BUSINESS LOCALLY AND SHOP IN BELLE GLADE.

District Jaycees

Commend Rogers

Stand On Cuba

At the conclusion of 300 Jaycees and their wives, from 15 clubs of the Eighth District Sunday afternoon at the Belle Glade Country Club, the Jaycees commended Congressman Paul Rogers for his fight to stop the shipping of "strategic materials" to the communist-dominated Cuba.

Mr. Rogers' bill and his program for reduction of the national debt annually by directive, as well as economy in accounting, as suggested in the Hoover report, also came in for commendation.

The Congressman appeared before the convention as speaker and was enthusiastically received.

Dr. C. E. Waldner, Jr.

Joins Local Doctors

Equipped with a residency in pediatric surgery, at Variety Children's Hospital and at Mt. Sinai, after an internship at Greenwich, Conn., Dr. Charles Eugene Waldner, Jr., has joined Doctors Brown and Gray in practice here.

Possessed of an AB degree from the University of Virginia, Mr. Waldner spent four years in the Air Force and secured an MA degree from New York University before taking his medical school at the University of Virginia.

College tennis and football will be the doctor with an athletic interest which finds golfing a satisfaction.

The new addition to the Glades medical practitioners is an Episcopal.

Get Tickets Ahead

For Ram-L. Worth
Game Friday Night

Advance general admission tickets for the Lake Worth game this Friday night are on sale today and tomorrow at the High School from 8:30 'til 4:00. Principal Pellon Morris announced, and down town at Sullivan's Pharmacy.

An unusually large crowd is expected and you'll save a lot of time standing in line if you buy your tickets ahead. "Sorry, no reserved seats are available," Morris said.

2 Mills Gives 10 Beds
75 Let Age-35 Modern

No more than 2 mills, or an annual assessment of \$2 per \$1,000 of taxable real property, will be required of Southwest Palm Beach County Hospital District freeholders to repay the proposed \$100,000 bond issue for construction and equipment of a new hospital, and alterations to the present 12-bed structure.

W. C. Goss of Sullivan, Nelson and Goss, Inc., West Palm Beach fiscal agents for the hospital board, announced this week.

For example, on a home of Total Assessed Valuation \$5,000, Homestead Exemption \$5,000, Taxable Value \$0, None \$0, Tax \$0.

Valuation \$5,000, Exemption \$5,000, Taxable Value \$0, None \$0, Tax \$0.

These taxes would become due and payable, for the first time, in November 1963, provided that the freeholders approve the bond issue by a 50% plus-one majority at the polls on this November 5.

The proposed bond issue would mature serially within thirty years.

Vice Chairman Abbie Zumpt points out that the estimated cost of the 75-bed jet-age hospital is \$1,500,000, with the expectation that \$600,000 will be available from Hill-Burton funds.

The costume parade will begin at 5:45 p. m. and Mrs. Nelson Nelms, chairman of the parade has asked that all children wishing to participate be on the field by 5:30 so that the parade can start on time. Every one wearing a costume is invited to join the parade.

While the judges are busy selecting the best costume, which will be judged on the most "honest look and originality," a parade of cars will take place. This is a good opportunity to see the 1963 cars handled by local dealers, Chas. Goodlett will be in charge of the car parade.

Al Harris will act as master of ceremonies. Silver dollars and ribbons will be given first place winners and ribbons to the second and third place winners. A gift will also be given to the winner and runner-up for the best costume of the entire parade.

Practically every civic organization in the city is assisting in the program. No booths are to be open until after the parade.

Included in this year's activities will be Ring toss, Cotton candy, handicraft items, pony cart, tractor ride, fire truck rides, hay rides, target shoots, cake sale, pop corn.

The Glades Are A-comin' To See You

Fans Feed Meat

To Footballers

And Their "Best"

Enthusiastic fans recognized the sustained spirit of contest, team play and demonstration of a lot of hard work in practice with a steak supper for members of the Belle Glade Rams and their dates at the Eika Club house, last week.

Two Seniors, Billy Thompson, Dick Hodges, Trouble Hotard, Les Berryhill with other willing hands and waiters.

The generous response and loyalty of Glades folks is very sensitive to demonstrated devotion for home and country.

As representatives of the Spirit of the Glades, and especially the "future citizens" of our high school, the Community is proud of the atmosphere surrounding our Rams and applauds.

Co. Aid Planned

For L. H. Fire Dept.

Chief L. C. Nipper of the Lake Harbor Volunteer Fire Department and his six men are in line for some aid from the County according to reports coming from the last meeting of the Commission.

It was reported that Attorney Johnson is instructed to make an effort to help this department meet eligibility rules to receive a county allotment.

Burke's Battlers Bomb Seacrest

Belle Glades "Cinderella Kids" are still riding high with their side-saddle "T." They poured on the coal the last quarter to another Seacrest 33-0 victory over the fourth Conference win and sixth win overall.

These marauding youngsters have yet to yield a score. Seacrest put the Ram defense to it most severe test. They took the second half kickoff and ground it to a first down at the Ram eight yard line. Dewey Jones, who had been playing defensive end before, threw Scott Looker for a three yard loss. Johnny Dell, a handy replacement for Charles Thompson held Danny Gibson for no gain and that was enough. The Ram defense opened up somewhat to look for the pass but did not find fourth down at the two yard line. It was all over but the Ram parade after that.

The Rams had taken a 7-0 lead when sophomore Jimmy Johnson blocked Woolbright's punt and John Causey scored.

As a charter member of the Suncoast Conference, Belle Glade never has captured any kind of league title in the dozen years the conference has been in operation. But today the Rams are the league's only unbeaten football team and give every indication that the long drought is about to be ended.

They have won six straight gridiron encounters and have yet to have their gasoline crossed. But the road ahead is rocky and their present slender half-game lead leaves them still a long way from pennant assurance. Of their remaining four games three are on the road against their present closest rivals for the lead.

This week will present perhaps the Rams' most crucial test when they visit Lake Worth.

A pre-season flag favorite whose leading 33-0 winning streak was just ended. The Trojans are certain to be aroused for a rebound effort and they may be Belle Glade's highest hurdle of the course.

Two other league games this week will run up Pahokee to St. Thomas Aquinas and Edgewater, Clewiston entertaining LaSalle, Palm Beach as host to St. Thomas Aquinas and St. Pierce invading Ft. Myers.

The Rams whipped defending champion Seacrest in stunning fashion 33-0 in last Friday's contest in the Suncoast. John Causey scored twice as the Rams won 33-0.

In the wild fourth quarter Causey led the air to set up two touchdowns. Following a pair of 20 yarders to Eddie Buckner and Bobby Blaskely, Causey hit Buckner in the end zone for the TD. Bert Davis kicked the PAT.

Buckner made a pair of circus catches to set up the last touchdown. Diddy Mills rammed it over from the three. Bert Davis connected to make it 33-0.

The "mighty miles" of the Ram defense were their usual stubborn sides. Hub Spooner had his best night ever, after Kruse and Thompson, the regular line defensive ends, had departed due to an injury and unnecessary ejection, Johnny Dell and Dewey Jones contained the Seacrest sweeps like old timers.

Gary Clark and Frank, Prickard gave away 20 lbs. to the Seahawks but it apparently made no difference. Mills killed a Seacrest drive with an interception and performed in his usual hard nose fashion.

Bucky Holt is the most hard luck Ram runner. He has had four fumbles over 50 yards called back because of penalties. He is only a sophomore.

Cruse Out

The Rams go to Lake Worth for another showdown Friday night. They will go without Frank Kruse. He has been sidelined with a head injury. A few other Rams are bruised but are expected to play.

The only home game this week is the Rams' Jaycees game with the undefeated Seacrest Jaycees Thursday night at 7:30 p. m.

DEMOLAY BOYS REMIND YOU TO DISPLAY YOUR FLAG NAVY

DAY OCT. 27 IN ACCORDANCE WITH THE NATL. FLAG CODE

Representative Emmett Roberts, Congressman Paul Rogers and Mr. Gladden participated in the program, following Postmaster Nash's introduction of the Master of Ceremonies, Mr. Roberts.

Mr. Dewey Hutchins of Jacksonville, Fla., told briefly of his job as Belle Glade's first postmaster, when a branch office was established on the banks of the Hillsboro and named by Mr. Badger, with mail being brought from the Tolly Island depository where boats delivered the mail from Ft. Lauderdale.

Mr. Isaac West, Chosen's only postmaster, was given a certificate by Mrs. Katherine Kirk, a Vice President of the Florida Association of Postmasters, in recognition of his more than a third of a century service.

Congressman Rogers told of the five-year work in finally securing the new building and repairs, and paid tribute to Gladden as a cooperating part.

VOTING ON THE VOLGA, AND—

IN THE GLADES

QUANZI HUNTER

YOUR representative, whether he be City Commissioner, Special Tax District Board, County or School Board Member, County Commissioner, State Legislator, Congressman or US Senator promised to represent YOU — a majority of YOU!

Fifty years of close association with and intimate knowledge of the actions of public servants from top to bottom leave me with the feeling that 85 percent-plus of ALL are honest men trying to do a job.

Serious trouble has come to those who get "too big for their britches" — from Presidents down. Serious trouble comes to those who forget "the folks back home" and "sidewalk opinions" for the old days, the kitchen, the business office, and yes, from the classrooms of high school and college come basic and straight thinking on local, as well as national problems.

Election to office doesn't transfer title: it's a limited lease subject to renewal with demonstration to Hard Work ability and Integrity.

Most first termers are merely students of the job. Answer these questions for yourself about re-electing a man.

- (1) Has he devoted the time and effort to the job?
- (2) Has he demonstrated the ability to DO things?
- (3) Has he been fair with you, and does he have the respect of his fellow workers?

To pull that curtain on a voting booth is a privilege, which carries with it an obligation — what you do there is between yourself and your Conscience.

As an American it's your Privilege; as a Glades Citizen it's an obligation to your family, your friends and your community! Vote as you choose, but VOTE!!

What Price Awards?

Chas. B. Shuman, President of the American Farm Bureau, says "In the old days, criminals were brought back dead or alive by bounty hunters. Undoubtedly cash rewards helped reduce lawlessness."

He further quotes from a county ASCS committee newsletter: "Community committees have been asked to find farmers that are not aware of cost-share assistance on practices and send them to the ASCS office. Community committees that have sent in five will receive a citation from the State ASCS Committee. Those that have sent in 10 or more will receive a citation from the Secretary of Agriculture for outstanding service."

"The high command in Washington was apparently alarmed by a steady decline in farmer applications for payments (down from 4,427,000 at the peak in 1943 to 1,029,000 in '60)."

Mr. Shuman asks: "Bounty hunters — how long will farmers tolerate programs which make a mockery of distinguished service awards by honoring those who contrive to lead more victims down the subsidy — control path?"

May we remind Mr. Shuman that this country was born in the minds of the "grass-roots" boys; Mr. Shuman's own organization and its strength comes from a wedding of small groups in thousands of communities, with controlling ideas, aims and plans and daily works by Doers, not idealistic over-educated Bureaucrats.

This country will get along — we don't know how at the present time — by honest grass-roots thinking with the aid of such men as the Glades TSCS Committee a working part of the Palm Beach County Committee.

The group responsible for the letter quoted by Mr. Shuman was undoubtedly over-awed by the bureaucratic thinking behind the Secretary of Agriculture's suggestion.

Long live the local group in business, professional organizations, civic bodies, AND GOVERNMENT — despite the US Supreme Court and governmental bureaucrats!

The heart fund kick-off campaign planning meeting called by Jerry Thomas, newly appointed 1962-63 heart fund campaign chairman for Palm Beach and Martin Counties, was held at Stouffer's Town House, Tuesday, October 16. Pictured above: Jerry Thomas, Campaign Chairman and Carl A. Fladger, President of the Heart Association of Palm Beach and Martin Counties. Standing, left to right: William J. Mr. Thomas stressed the need for volunteers for the heart fund February Campaign. Anyone interested may contact the Heart Association, 324 South Olive Avenue, West Palm Beach.

Speaking Agriculturally

Activity around the Glades area appears to be about on schedule with sweet corn and radishes already being harvested and green beans will soon be following. Crops in general are in fair condition and are improving with the good growing weather we have been having since the rains have slowed down. Good growing weather does not only help crops improve in condition but cuts down on disease incident.

This brings us around to what I would like to discuss and that is the use of foliar application of nutrients to our vegetable crops. During periods when crops become water soaked and the root systems are restricted in their ability to take up available nutrients good results have been obtained by the foliar application of both major (Nitrogen, Phosphate, and Potash) and minor elements. A word of caution should be said at this time and that is if sweet corn infested with Blight (*Helminthosporium*) is sprayed with Nitrogen the blight may become more severe. Side dress applications of the major elements to the soil is better when possible to do so. It should be remembered that Nitrogen and Molybdenum do not leach from the soil and will stay fairly close to the place it is applied. Foliar application of minor elements are altogether another story where growers have for years received good results from minor element sprays to crops. These elements are Zinc, Copper, Manganese, Iron, Boron, and Molybdenum and only a minute quantity is required by the crops to satisfy this need.

Dr. Paul Thayer of the Everglades Experiment Station reported at the last Vegetable Growers' "Coffee" that there has been found a new disease on pepper in the Glades area. The disease is called a Chlamydia sp. fungus has been noted in early plantings in the Glades. Its symptoms are similar to Phytophthora in that it attacks the leaves as well as the plant stem and in more severe during wet weather. The lesions have fuzzy fungus growth with black spots. No control recommendations are available at this time but Maneb, Binex or copper are worth trying.

For the Flower Gardener:

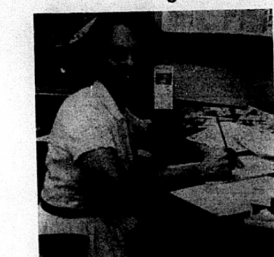

Last week we mentioned that now is the time to prepare our rose beds. Let's go into a few pointers on the selection of the location. Choose a place in full sun, if possible, and if this is not possible it is better to have direct sunlight on the plants during the morning rather than the afternoon hours. Try to select a site free of roots of trees or shrubs so that your roses will not have the competition of roots. If you have tested the soil it should be between pH 5.5 to 6.5 for best results. If your soil pH does not test within this range call our office and we will discuss how you may correct it. To plant, dig a hole big enough to contain the root system with a mound in the bottom of the hole for a cone. Seat the plant on top of the mound of soil, spread roots down over the mound. Regulate the depth so that the grafted top will stand 2 to 3 inches above the surface of the soil. Use plenty of water when setting the soil around the roots and to prevent air pockets. Fill the hole with soil and again add more water. A stake may be used to secure the plant to prevent wind injury and to steady the plant while the soil is settling around the roots. More about roses next week.

Remember the 75th Anniversary Meeting of the Florida State Horticultural Society in Miami Beach October 30th thru November 2nd. An excellent program has been arranged for all sections of the Society.

Mr. George Young reports a good run of feeder calves will be available for a special feed sale at the Glades Livestock Market, Friday, October 26th. Ranchers having good calves wish to sell should contact George about this sale.

Award Given Glades Advisory Group For Education Of Migrant Children

Mrs. Margaret Mosley, Area Supervisor Palm Beach County Board of Public Instruction and secretary of the Migrant Advisory Committee, submitted the description of the development and the initiation of the cooperative Junior High School project to the Action in Education Awards program sponsored by the Better Homes and Gardens Magazine.

The Glades Advisory Committee for Education of Migrant Children... received a citation for Noteworthy Contributions in the 1961-62 Action in Education awards program sponsored by the Better Homes and Gardens Magazine in cooperation with the National Education Association and the National School Boards Association.

The awards program is designed to encourage individuals and organizations to work with school officials in improving local educational facilities, and opportunities. Special citations are awarded in recognition of significant community achievements in education.

The citation was awarded to the Glades Advisory Committee for the Education of migrant children and for the work done in developing a special junior-high school program for students who are over age and who need remedial instruction in basic subjects and training in home-making and industrial arts. The program known as the cooperative Junior High School provides experiences that will stimulate and encourage these students to continue their education and to develop practical skills that will help them become self reliant citizens. The success of this endeavor is due to the cooperative efforts of many, Howell L. Watkins, County School Superintendent, Palm Beach County Board of Public Instruction, Glades Advisory Committee, community and civic organizations, Public Health Dept., school personnel and many interested individuals have all given of their support and encouragement to the program.

A total of eighty students are enrolled in the project at the present time. There are four teachers. The administration of the program is under the capable leadership of Mrs. Ruth Irvin, principal of Osceola School.

Several worthwhile projects initiated by this committee have benefited not only migrant children but regular resident children also. The most outstanding of these projects has been the initiation of the cooperative Junior High Pilot Project in Blye Glade.

The project began in September 1960 at the seventh grade level. In 1961-62 it was extended to include the eighth grade.

"The love of reading enables man to exchange the wearisome hours of life which come to everyone, for hours of delight."

"Will Rogers" by Day, Mr. Day quotes from the millions of words spoken and written by Rogers. In doing so, he makes one point clear, this particular satirist-humorist had something to say on almost every subject. His death in an airplane accident had a great impact on the American public.

"Uhuru" by Robert Ruark. A hard, tough novel about Africa which is very realistic. The setting is Kenya and provides a vivid picture of a wild, beautiful land under the spell of "Uhuru" (freedom). "Exciting, horrifying, not fantasy but truth."

"In the clearing" by Robert Frost. First collection of new poems in fifteen years. To read it slowly and appreciatively is like overhearing the talk of a wise old poet.

"Agony and the Ecstasy" by Irving Stone. An absorbing novel based on the life of Michelangelo. This is a story full of excitement. It shows Michelangelo from his neglected boyhood to his triumphs as a supreme artist. He was the sculptor of Moses and David. He led a life as dramatic as his masterpieces.

"The Jigs & Juleps" by Virginia Cary Hudson. Essays written at the age of 10 by an irresistible child who is a combination of Elaine and Dennis the Menace. It is a child's collection of impressions, it is an adult's hilarious come-uppance. And as the author says at the end of one of her essays, "And now may God grant us all a good night's rest and not let the five whistle blow. Amen. Hallelujah and so be it as they may."

It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 . . . the same year that

IN FLORIDA, the State Legislature proclaimed that all the public lands to which the state claimed title through accession should be restored to market at \$1 and \$2 an acre, sold to the highest bidder at 1/4 of the price. Throughout the state the event was celebrated with feasting of beer!

For then, as now, beer was the traditional beverage of moderation—light, sparkling refreshment that adds a touch of Southern hospitality to any occasion. Floridians have always enjoyed the good fellowship that goes with every glass.

TODAY, in the centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and integrity wherever beer and ale are served.

PTA Convention In Panama City

The first regular meeting of the Palm Beach County Council of P.T.A. was held on Oct. 18th, at the new Howell L. Watkins Junior High in Palm Beach Gardens. Mr. Ed Ryssy, principal, greeted those attending, and spoke briefly of the experimental program in education being conducted in this school this year; namely, a seven period day, instead of six, with students allowed two selective subjects.

After the proposed budget for the year was read and adopted, Mrs. Janet Pate, District Pres., announced that State Convention would be held in Panama City, Fla., Nov. 13, 14, and 15th. Special buses will furnish transportation for local delegates wishing to attend. It was suggested by Mrs. Pate that all local units study the proposed action platform, in order to send well informed delegates to this convention.

Mr. Herb Kip, program chairman, introduced Mr. Leonard Brown, who discussed Admiral Rickover's report "Education in Orbit" According to Rickover's report, the standards of education should be raised. He says the future belongs to the best educated Nation, and that we should let the talented move ahead. Mr. Kip then introduced Professor Charles Sutherland of Palm Beach Junior College, who spoke on the goals of education. He said the present system equips our young people to exist in the 19th or very early 20th century, but they are not equipped for space age existence.

OES Announces Rally Day At Masonic Home

The regular meeting of Order of Eastern Star Chapter 197 was held Thursday night with Mrs. Faye Greer, worthy matron presiding. Announcements were made of the grand instructor's district visit to the Palm Beach OES Nov. 6 and also the official visit of the worthy grand matron Saturday, Nov. 10. Members were also reminded of Rally Day Nov. 4 at the Masonic Home in St. Petersburg and the proficiency tests Nov. 18 with Mrs. Emma Saunders of Ft. Pierce, past grand matron in charge.

The chapter will again work on their projects of selling Duncan Hines Fruit Cake, proceeds will be donated to Arthritis and Rheumatism Foundation. Mrs. Wendell Lyons is in charge of the project. At the next meeting of the Chapter Nov. 1, the student loan program will be held. Following the meeting refreshments were served by a committee composed of Mr. and Mrs. Wendell Lyons and Mr. and Mrs. Ralph McK.

THANK YOU NOTE
I wish to thank the many friends for their flowers, cards and prayers during my stay in the Belle Glade Memorial Hospital.

I especially wish to thank Dr. John Grady, the Nurses and Nurses Aide.
One need only to be a patient in our hospital to realize the efficiency, courtesy and kindness of the entire staff.
Thank you all

First Independent Missionary Baptist Church
N. W. Ave. G & 17th St.
Belle Glade, Florida
PASTOR: E. L. Johns

WE BELIEVE:

We hold that true Baptists have ever held: That the Great Commission was given to churches only; that in kingdom activities the church is the only unit in associated work; that each church should exercise equal authority; and that the churches should meet their responsibilities according to their several abilities.

"THERE'S A WELCOME HERE"

Read Luke 17:22-33

Neither shall they say, Lo here or, lo there for, behold, the kingdom of God is within you. (Luke 17:21).

I observed two men cutting down a tree to be made into lumber. After having felled it, one of the men remarked that it was hard work saving a tree like that. The other said, "Yes I know. This tree is quality through and through; it is an oak."

That remark — "quality through and through; it is an oak" — caused me to examine the tree. The close grain of the stump, as well as the soundness of the whole body of the tree, seemed to say, "I am an oak."

As surely as the oak speaks quality to many in the world, the followers of Christ testify to the quality of Christian character. This is by their actions, acts, and words. Jesus said "The Kingdom of God is within you." By association with us, the world should be led to say, "Here are lives of high quality. These persons have been with Christ."

PRAYER: O Lord, our Father, we dedicate ourselves anew to the cause of Christ, our Savior. Remove the blemishes that we may worthily serve Thee among the peoples of the earth. In the name of Jesus, who taught us to pray, "Our Father who art in heaven . . . Amen"

THOUGHT FOR THE DAY

Christ helping me, I will try today to better the quality of my life.

Homecoming Services Set Sunday At First Baptist Church, So. Bay

The First Baptist Church of South Bay is having Homecoming services on Sunday, October 28th. Rev. John Cooper, former Pastor of the Church will speak at the Morning Worship Hour and Rev. Bill Oswald will be the speaker at the Evening Evangelistic Services.

Rev. John Cooper served at South Bay from about 1954-1958, then leaving to serve in Milligan, Florida and presently is pastor of the Cutler Ridge Baptist Church in Miami, Florida.

Rev. Bill Oswald served the South Bay Church from 1947-1950 and then accepted a church in Lake Wales and then moved to the First Baptist Church of Zephyrhills, Florida where he presently is serving.

Each member is encouraged to bring covered dishes for the dinner, and the drink and appetizers will be furnished by the church.

Churches of Christ Scientist

An assuring message about immortality will be brought out at Christian Science services Sunday in a Lesson-Sermon on the subject "Prohibition After Death."

Opening the Responsive Reading will be these verses from the Bible (John 14): "Let not your heart be troubled; ye believe in God, believe also in me. One will have dinner in the mansions; it is not we, so I would have told you. I go to prepare a place for you. I will come again, and receive you unto myself; that where I am, there ye may be also."

One of our citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p. 487): "The understanding that Life is God, Spirit, lengthens our days by strengthening our faith in the deathless reality of Life, its almightiness and immortality."

Sermon Topics

CHURCH OF CHRIST
Evangelist Harry Darrow will preach at the Sunday morning service on "Teaching Them" and at the evening service his sermon will be "The Forgiving Spirit."

FIRST BAPTIST CHURCH, SOUTH BAY — Rev. John Cooper, former pastor will preach at the morning homecoming service and Rev. Bill Oswald also former pastor will speak at the evening service.

SEVENTH DAY ADVENTIST CHURCH — Pastor Donald Wilkinson is conducting a series of sermons relating to the primary doctrines of the Christian Religion. This week the subject will be "Christ — Son of God and Son of Man. Visitors are expected and welcomed."

Ground Breaking Ceremony For New Baptist Ed. Bldg.

Ground breaking ceremony will take place Sunday, October 28th for the new educational unit of the First Baptist Church, Belle Glade, with work to begin Oct. 29.

The ceremony will be conducted at 9:40 a. m. The church family and friends will gather for the event, following the early morning worship service. This will mean there will be no opening assemblies in Sunday School.

Everyone is asked to go directly to the roped off area in the rear of the auditorium building.

Missionary Baptist Revival Oct. 25-31

The First Independent Missionary Baptist Church is inviting every one to attend the church revival beginning Thursday night Oct. 25 and continuing through Oct. 31.

The visiting minister will be Elder Fred Vining of Seminole, Fla., Sermon topics for each evening and Sunday a. m. are as follows:

Tonight Thursday — "Workers Together."
Friday — "Prayer of Faith."
Saturday — "Satisfied With Jesus."
Sunday a. m. — "Meeting Life's Problems."
Sunday night — "If You Had but One Week Until the World Came to an End, What Would You Do?"
Monday — "Jesus Seeking and Saving that which is Lost."
Tuesday — "God's Great Plan of Salvation."
Wednesday — "Do We Have Plenty of Time?"

Announcement is made that a farewell dinner will be served at the church on Oct. 28 in honor of James Anderson and his family, who are moving to Ft. Pierce. A cordial invitation is extended to everyone.

Local Delegation Of 38 To Attend Witness convention

A delegation of 38 from the Belle Glade area will attend a three-day circuit convention of Jehovah's Witnesses, November 2-4.

This announcement came from Miles Crum, a presiding minister of the Belle Glade congregation, following official word from the Witnesses' world headquarters in Brooklyn.

Crum said: "The theme of the three-day meeting, 'Spread the Word of Life,' is excellent as it expresses the desire of the Christian delegates to unashamedly use their time in up-building others by free Bible education."

"The baptism of new Witnesses on Saturday afternoon, one of the convention's highlights, will be viewed with interest by our delegates and active members. Those taking this serious step also become active in spreading the Word of Life, the Bible," Crum explained.

The assembly's climax will be reached Sunday at 3:00, when David J. Thomas, district supervisor from Brooklyn, speaks on "The Bible's Answer to our Problem of Survival." Over 1,800 are expected to hear this timely discourse.

Theology That Thrills

"Theology That Thrills" is the title of a series of sermons on primary doctrines of the Christian religion, to be delivered by Pastor Wilkinson at the local Seventh-day Adventist church.

"Everyone has a theology, of sorts — a notion about God, a theory about how to live before him," explained the Pastor. "Even pagans (including the civilized ones) have some sort of principles by which they live. We all have doctrines of some kind. They may not necessarily be correct; they may be downright diabolical; but we have some."

"And the theology makes a man what he is. Confucian doctrine makes Confucians. Buddhist doctrine makes Buddhists. Communist doctrine makes Communists. We are foolish to think that Christians can be developed by anything but Christian doctrine."

"But to be Christian, the doctrine must directly relate to Jesus Christ. A theory unrelated to the Redeemer is suspect, right off. Doctrine necessary to salvation must tell something about the Saviour — His nature, His person, His mission."

"We are not redeemed by good ideas. Every religion, be it true or false, has some fine idea. Nobody would want it if it didn't. But a good idea will never resurrect you from the dead. A beautiful thought will never redeem you from the power of inborn sin. That takes a Person — Jesus Christ."

"The purpose of Christian doctrine, then, is to reveal something more about Christ — to give us confidence in His power to save, to encourage us to believe Him, to present His alternative to excite a love and dedication to Him. And be sure of this: if you want to be a strong Christian, you must be nurtured on sound, Christian doctrine."

Meekness heightens immortality attributes only by removing the dust that dims them.

—Mary Baker Eddy

L. Harbor WSCS Will Observe Week of Prayer

The monthly meeting of the Lake Harbor Women's Society of Christian Service of the Community Methodist Church met on Monday, October 15th with Mrs. J. D. Hemphill presiding.

The business portion of the meeting was conducted, during which it was decided to have special observance of the "Week of Prayer and Self Denial" which begins on October 25th through the 31st. Prayer cards and offertory envelopes were given to each member present, and the "Quiet Day" Program will be held on Sunday evening at 7:30 p. m. on October 28th.

A program concerning missions was conducted by Mrs. J. O. Jameson assisted by Mrs. J. D. Hemphill. Scripture was read by Mrs. L. J. Gerrey.

Following the meeting, refreshments were served by Mrs. Melvin Messer, hostess of the evening, and a period of fellowship was enjoyed by all.

Sorority Chapter Enjoys Steak Fry

Members of Xi Beta Gamma Chapter of Beta Sigma Phi and their husbands were truly invigorated by the brisk autumn atmosphere as they gathered at the home of the Bill Grabers for a steak fry, Saturday evening, October 20, at 7:30 p. m.

Conviviality reigned as the wives gathered around while the steaks were prepared by the men. At just the proper moment of doneness, the steaks were hurried inside to be enjoyed around tables colorfully decorated with lovely arrangements of vari-colored marigolds and croton leaves. Also adding to the color of the evening were some of the ensembles worn by Mrs. Eddie Jones, cowlart outfit being outstanding.

Members and guests present were: Mr. and Mrs. Earl Lindgren, Mr. and Mrs. Louis Kirchman, Mr. and Mrs. Francis Cross, Mr. and Mrs. Lona Amaring, Mr. and Mrs. Richard Sands, Mrs. Eddie Jones, Mr. and Mrs. Hector Ouellette, Dr. and Mrs. Thomas Baker, and the Wm. Grabers.

She is a member of American Association of Nurse Anesthetists and Beta Sigma

Sweet Sixteen Dance Compliments Miss Davene Watson Sat. Night

Highlighting the fall social season of the younger set was the Sweet Sixteen dance and party for Miss Davene Watson, given by her parents, Mr. and Mrs. R. E. Watson at the Community Center Saturday night. Colorful balloons and streamers of crepe paper in pastel shades formed the decorations extending from the center of the ceiling and on the east end of the room.

The two refreshment tables placed at angles were beautifully decorated with red, white and blue hibiscus and green foliage. Each table was further enhanced with a crystal chandelier and birthday cakes. The large sheet cake decorated in white and red bore the inscription "Sweet Sixteen-Davene". The napkins also carried out the theme. Cake, Hawaiian punch, milk, nuts and open face sandwiches of chicken salad and pimento cheese were served.

The gift table was centered with a low milk glass container of red and white roses, surrounded by beaded packages. Dancing was enjoyed to the latest recordings. An intermission was held and the honoree wearing a semiformal beige chiffon dress with gold embroidered bodice and an orchid corsage was presented a diamond necklace by her father, who then danced with her to the music of "Queen Beanie".

A twist contest was also enjoyed with Kenneth Royston

A Boy's Eyes

"I'd like to be a Cub Scout."
"His eyes were deepest blue."
"I'd like to learn, and play, and build."

Like Jim and Freddy do.

"I know how to use a hammer; I can drive a nail if I try; I'm eight years old, I'm big and strong and hardly ever cry."

I gave him the application And parent-participation sheet.

(His eyes were filled with sunshine. As he left on dancing feet.)

Next day, my friend was back again.

A dejected little lad. "I guess I'll skip the Cub Scouts."

(His eyes were dark and sad.)

"My Mom is awful busy. She has lots of friends, you see."

She'd never have time for a den. She hardly has, for me.

"And Dad is always working—He hardly ever there."

To give them any more to do. Just wouldn't be quite fair.

He handed back the papers With the dignity of eight years.

And, smiling bravely, left me (His eyes were filled with tears.)

Do you see your own boy's eyes As other people may?

How he looks when you're "too busy" Or "just haven't time today?"

A boy is such a special gift—Why won't you realize, To put sunshine in his eyes.

Xi Beta Gamma Honor Rushees

The regular meeting of Xi Beta Gamma Chapter of Beta Sigma Phi was conducted at the home of Mrs. Francis Cross.

In honor of the rushees, Richard Sands and Mrs. Ben Painter, a special description program on "Beta Sigma Phi" was presented by Mrs. Nell DePamphila and Mrs. Louis Kirchman. The rushees will be initiated at the home of Mrs. Kirchman in November.

Proceeding the program a brief business meeting was held with Mrs. J. E. Jones, president.

The chapter voted to leave the matter of assisting at the Halloween Carnival to the discretion of the service committee.

An inspiring program on "Love's Miracle in Marriage" was presented by Mrs. J. E. Jones. She gave the qualities essential to a miracle in marriage, discussed problems involving adjustments and presented a six point program for solving problems. The cause of divorce was also discussed and the ten ancient commandments for a wife.

Mrs. Louis Kirchman rendered stories of famous "Great Loves" in which she included Romeo and Juliet, Anthony and Cleopatra and the Robert Brownings.

Delicious refreshments carrying out the Halloween theme were served. The decorations included ingeniously designed witches and black cats. Twelve members were present in addition to the rushees.

Belle Glade Personal Notes

Mr. and Mrs. H. A. Vaught, Sr., celebrated their 40th wedding anniversary at the Glades Club Oct. 17, escorted by their daughter and son-in-law, Mr. and Mrs. Grant Van Sickle. They enjoyed a delicious steak supper.

Enjoying a visit here during the weekend were A3-c and Mrs. Tommy Mann, accompanied by AB-2 Charles Elgin of Fort Walton Beach. The boys are at Eglin AFB. They were guests of their parents, Mr. and Mrs. E. J. Cross and Mr. and Mrs. Arthur Mann. Mrs. Tommy Mann is the former Kay Cross.

Mr. and Mrs. Edward Kilough and daughter Miss Karen Kilough of West Palm Beach were weekend guests of Mrs. Kilough's brother and family, Mr. and Mrs. R. E. Watson.

Mr. and Mrs. Chas. E. Poppell have moved from Perry, Fla. to Belle Glade and are residing at 201 S. W. 2nd St., Apt. 3. Mr. Poppell is an electrician at the Sugar House.

Mr. and Mrs. W. Davis are newcomers to Belle Glade from Gainesville and are making their home at 604 N. W. Ave. G. Mr. Davis is working as an electrician at the sugar house.

Moving to Belle Glade from Pahokee are Mr. and Mrs. G. Aleman and two children Rafael and Roberto. They live at 233 N. W. Ave. D. Mr. Aleman is engineer at the new sugar house.

Mrs. Vera C. Jones, Mr. and Mrs. George Young and Mrs. Clara Eaton, mother of Mrs. Young attending picnic at the home of the William Ghetos (Banna Rodriguez) in Lake Clarke Shores.

A birthday luncheon was held Friday in honor of Mrs. Russell Fox of Chosen and Miss Ruben Shultz of South Bay at the home of Mrs. Gertrude Kiefer 333 S. W. Ave. E. Mrs. Marvian Bergman and infant daughter, Tammy were also guests.

A pleasant surprise awaited Mrs. Bettie W. Harris on Tuesday, October 23, when her son Larry Harris walked in the door. Larry has returned from serving 3 years in the Armed Forces, stationed at Helmsford, Germany. He landed in New York on Monday and came right on home. He was released from service before the Cuban blockade came up and knew nothing about it until he arrived in the states.

Mr. and Mrs. Ralph Kirk visited their son-in-law and daughter Mr. and Mrs. Robert Walker in Orlando during the weekend.

Mrs. Vera C. Jones spent the weekend in Palm Beach with Mr. and Mrs. Claude Christy, Jr., (Cynthia Slater). The Christy's left Sunday to make their home in Panama, Calif.

NEWS-MAKING ROOF FROM MONTEREY. The advantages of Monterey's distinctive styling go far beyond its beauty. This is elegance that WORKS. See how the recessed rear window slants inward? It stays clearer in rain or snow. On hot days, it opens for breezeway ventilation. The overhanging roof shades rear-seat passengers from the sun, gives more headroom, keeps glare off the rear window for better rearview visibility. More good news: Mercury Marauder 390 V-8 is Monterey's standard engine.

In the Farm Budget

Stop and think. Practically everything has gone up in cost. Inflation. Yet the average price paid per KWH for EFL electricity is actually lower now than 10 years ago. Cheap electricity handles scores of chores... and the more you use it, the more you benefit. In countless ways, electricity helps make YOUR farm more profitable... your home more comfortable... your leisure more enjoyable.

Commission Gives County Workers Veterans Day Off

The November 11th Veterans Day observance caused the county commission to change the boards next meeting to Nov. 13. The holiday falls on Sunday, but is customary for county employees to take the next working day as the holiday — which is this case would be Nov. 12.

Eyebrow Raising For Clerical Errors By Tax Assessor

A stack of corrections — some 250 — made by the tax assessor's office in the current tax roll caused the county commission to raise a collective eyebrow this week.

In the case of a tax roll error, it is the commission's responsibility to take note of the error and certify the mistakes to the collector so he can correct his collection sheets. Errors in the past have been held to a minimum which was one of the reasons for the commission's surprise this week in receiving such a large number of corrections.

The mistakes were caused mostly by clerical error while other were caused by change of assessments and from items having been omitted from the original tax roll.

Gypsies To Invade Belle Glade

Well — maybe not real gypsies but they will look almost real.

It's all the result of an opera being sponsored by the art department of Lake Shore High School. The opera is entitled "The Gypsy Troubadour" which has a cast of thirteen main characters and a chorus to play background characters and to sing the songs of the gypsies.

It will be presented Wednesday night, November 14, in the Lake Shore High Gymnasium. The opera is all about a young gypsy (Nikoli) who goes away to college and later returns to the gypsy camp in which his mother, father, and his gypsy friends live. Nikoli's father, Todor, has always expected Nikoli to become ruler of his tribe upon his retirement as ruler. He also expects Nikoli to marry Rosita, a pretty girl who can dance and sing as well as any professional. However, Vario, an evil schemer of the tribe, wants to become ruler of the tribe himself when Todor retires. He plans to have Nikoli thrown out of camp when he returns from college. To make things easier for Vario, Nikoli has no plans of becoming ruler of the tribe but wants to go to the city and write poetry. He plans to marry Clara, a pretty girl from the city, who wants him because she thinks he will become rich and famous. Soon

Nikoli, realizing that Clara is a cold-hearted gold digger who cares not a whit for him but only for his prospects of becoming rich and famous, turns to Rosita knowing now that he loves her, and finally persuades her to leave the camp with him at midnight.

The end is surprising and is left for you to see and enjoy yourself.

This opera holds promises of many laughs and drama. It is a performance that no one can afford to miss.

The characters for this presentation are as follows:

Todor — (Ruler of the gypsy tribe of Haran) Archi Carter, 11th A.
Maria — (Todor's wife), Willie M. Dixon, 11th B.
Vario — (Todor's nephew, a schemer), Walter Hall, 11th A.
Janina — (A Girl of the tribe), Helen Wilford 11th A.
Elena — (A former sweetheart of Vario), Elaine Moore, 11th A.
Rosita — (A pretty gypsy girl), Mary L. Bostic, 11th A.
Nikoli — (son of Todor and Maria, a poet) Johnny Mullins, 11th A.
Tom Gordon — (Nikoli's College friend), Harvey Poole, Jr., 11th A.
Mrs. Jean Jerrold — (A designing widow) Pearl Jordan, 11th B.
Henry Clayton — (A business man) Lawrence Higlowter, 8th C.
Mary Matthews — (A terrible Talker) Yvonne Owens,

New Bethel Church

Rev. O. D. Williams, Pastor
Carrie Mae O'Neal, Reporter
Services were spiritual and impressive throughout the day Sunday beginning with the Sunday School activities conducted by Deacon M. L. Davis, Superintendent.

At 11 a. m. the service was highlighted with music by the No. 2 choir. The pastor preached a soul stirring sermon on the subject, "Led By The Lord's Hands."

Five persons united with the church and many visitors were present. The church was glad to have them worship with us extends to all an invitation to worship with us regularly.

The Senior Choir and the No. 2 choir motored to Clewiston where they took part in the choir union at 2 p. m. and reported the services very good. The No. 2 choir rendered the music at the 7 p. m. service and the pastor preached on "A Great Deliverer." A musical was given by the Gospeteers in behalf of ward No. 6 with deacon Tommy Pace leader.

Surprise Birthday Dinner
In Oct. 15 Mrs. Lula Mae Pace assisted by members of New Bethel and friends gave the pastor's wife, Mrs. Jamie Williams a lovely surprise birthday dinner at the home of Mrs. Pace.

The honoree was the recipient of many lovely gifts. She expressed her gratitude to everyone for the event.

The committee served fried chicken, and all the trimmings with cake and punch to more than 38 guests, including some from Clewiston.

Coke Sip Enjoyed
Tuesday night Oct. 16, the senior choir enjoyed a Coke Sip at the home of Mrs. and Mr. Elijah Williams. The pianist, Mr. Crawford Carswell was showered with gifts for 25 years of service. The evening was enjoyed by all attending.

Missionary Society Tea
The Senior Missionary Society sponsored a tea at the home of Mrs. Francis White, Mrs. Susan Beckin, Clewiston was the guest speaker. Mrs. Beckin is the president of the Women's Convention of the Kissimmee Valley Association.

Demonstrating new '63 Chevrolet truck
features the hard way!

When we came to a river we got wet. This river bed was paved with rocks the size of melons. What a test for new light-and-heavy-duty suspension systems this was!

New engines, suspensions, frames and narrower front ends show their stuff on Mexico's tough Baja Run!

With months of proving-ground tests under their belts, why did new Chevrolet trucks take on the rugged Baja (bah'jah) Peninsula? This is the toughest line of trucks Chevrolet has ever built. Sending them over the most punishing terrain in North America (a road totally unlike the fine highways on the Mexican mainland) was double proof of this fact. Frames, engines, suspension systems were subjected to stresses far greater than trucks normally encounter. You can be sure that trucks that can handle this kind of beating can handle any kind of work.
